About tunings (presets 107-128)

Slendro is pentatonic scale, use only the black keys on keyboard:

C# D# F# G# A# (with different start notes)

Pelog is a set of 7 notes, but music use only different sets of five notes (see additional pdf)

pelog is approximatively in the key of C: C Db Eb G Ab (C) on white keys E F G B C (E).

Presets 125-126 : Slendro Black keys, Pelog White Keys (others presets are black **or** white)

In fact , each gamelan has his own tune, many tuning in scala archive, also on the net.
